

## BARRINGTON RECYCLING SYSTEM

Since December 1992, Barrington citizens have developed a voluntary recycling system that saves tax dollars and helps conserve our natural resources. Each month, this system improves as more citizens participate and deliver cleaner products to the recycling center. To be sold at the best price, recycled products need to be carefully segregated and clean. Your attention to the following guidelines will help enhance our system.

### ALUMINUM

Rinse, empty cans

### GLASS BOTTLES

Rinse

Remove lids, caps or stoppers

No window panes, light bulbs, canning jars, drinking glasses or dishes

### NEWSPAPERS

Keep clean and dry

Pack flat in brown paper bags or tie

Junk mail and office paper are accepted

### CORRUGATED CARDBOARD AND BROWN PAPER BAGS

Keep clean and dry

Flatten boxes no larger than 3x5 feet

No trash inside

Cereal Boxes and Shoe Boxes

### PLASTIC

Only number 1 or 2 plastic. Check the number in the triangular logo on the bottom of the items

Rinse and remove caps

### MAGAZINES

Slick paper magazines only

### TIN CANS

Clean. Include metal but not plastic lids

The volunteers who work at the recycling center wish to thank the many citizens who take extra care to deliver clean, segregated materials. More volunteers are always welcome!
